

July 2018 Pilot Newsletter

We believe all communities can be smart. Through the integration of technology and data, communities of various sizes, geographies, and development can be empowered to improve their quality of life. That is why we have pulled together a cross-sectoral partnership to raise awareness and knowledge, develop networks, and implement smart projects. This monthly newsletter is part of this greater effort!

Four Communities Selected for Inaugural Georgia Smart Communities Challenge

Albany, Chamblee, Chatham County and Gwinnett County will implement smart development through a Georgia Tech-led program.

On June 12, 2018, the Georgia Smart Communities Challenge announced its inaugural winning communities: Albany, Chamblee, Chatham County and Gwinnett County. The four communities developed and will implement smart design solutions to some of the biggest challenges facing the state including housing, traffic congestion, sea level rise, and shared autonomous vehicles.
